

## *Netiquette in bridge*

### General rules:

1. Wherever we are or whatever we do it is always worth showing good manners so do not forget about saying 'thank you', 'please' and 'I'm sorry'.
2. Do not use capital letters- it is shouting.
3. We are not anonymous while playing via the Internet.

### Bridge rules

1. Remember that on Bridge Base Online there are many nationalities but English is an official language for communication.
2. Do not cheat via skype or other communicators.
3. Explain all artificial bidding in a polite way.
4. Be understanding for tournaments and matches' hosts. They also want the game to pass pleasantly. You can always be a host yourself☺
5. Commenting on your partner's bad play is not a good idea. All comments can be made after the game and what is even more important they should be made as a constructive criticism.
6. Treat your partner with respect!
